

Most Outstanding Energy Efficient New Home

Important Information

Please ensure all parts of the application are complete. You must fill out a new entry form per submission. CHBA PEI reserves the right to not present this award in any given year.

All applicants must be a member in good standing with CHBA PEI.

ELIGIBILITY REQUIREMENTS

1. The builder must have built at least one home during the period of October 01, 2018 and September 30, 2019
2. The home that is being referenced in this application must have been enrolled in an energy efficiency program.

AWARD TIME FRAME

For the purpose of this award submission all projects included in this submission must be completed within the time-line of October 01, 2018 and September 30, 2019.

ASSESSMENT

As site inspections are not possible, judges will evaluate entries based only on the graphic and written materials provided by the entrant.

APPLICATION FEE

A non-refundable fee of \$25 must accompany each application. You cannot submit the same home or project in multiple categories.

AWARD OBJECTIVES

This award helps recognize excellence in performance by members who build energy efficient new homes, and to inform the industry and public of these achievements.

JUDGING CRITERIA

The entire application will be judged out of a total score of 100 points.
